

Ros2Node

```
graph BT; CameraNode[Camera.CameraNode] --> Ros2Node[Ros2Node];
```

The diagram illustrates an inheritance relationship between two ROS2 node classes. At the bottom is a gray rectangular box labeled 'Camera.CameraNode'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top labeled 'Ros2Node'. This indicates that 'Camera.CameraNode' inherits from 'Ros2Node'.

Camera.CameraNode
